FEBRUARY 14, 2021 SIXTH SUNDAY IN ORDINARY TIME

"Brothers and sisters, whether you eat or drink, or whatever you do, do everything for the glory of God." – 1 Corinthians 10:31

Do a quick check of your priorities. Where does God rank in that list? If He's not first, you have some work to do. Putting God first in everything helps us from putting other "gods" (like our pride, ego, money and possessions) before God. Before making a decision, ask yourself, "Am I doing this for the glory of God or for the glory of me?"

DEAR PARISHIONERS,

Please note that the Distribution of Ashes will look a little different this year. During this time of pandemic, the Holy See has modified the method of distributing the ashes as the following:

The Priest says the prayer for blessing the ashes. He sprinkles the ashes with holy water without saying anything. Then he addresses all those present and only once says the formula as it appears in the Roman Missal, applying it to all in general: "Repent, and believe in the Gospel," or "Remember that you are dust, and to dust you shall return."

The Priest then cleanses his hands, puts on a face mask, and distributes the ashes to those who come to him or, if appropriate, he goes to those who are standing in their places. The Priest takes the ashes and sprinkles them on the head of each one without saying anything.

These changes minimize the necessity of physical contact between minister and recipient and remove the need for the minister to speak while in close proximity to the recipient. The distribution of ashes via sprinkling is a common practice in some countries but is not well known here in the U.S. Deacons and Extraordinary Ministers may also assist with the Distribution of Ashes.

Ash Wednesday Masses this week will be at 6:30 a.m., 12:00 p.m., and 7:00 p.m. (Livestream).

Thanks to some end-of-year donations, we have gone over our BAA Goal by \$75,451.61. This is really awesome and will go a long way to assisting us in meeting the pandemic needs of parish and school, as well as our Livestreaming capabilities. God bless you all!

In Christ,
Fr. Anthony A. Dinovo, Jr.
Pastor

a path to holiness

Prayer

Jesus wants to change your family's heart during Lent through prayer! How can your family listen and speak to God?

- Do a simple family examine at the end of the day
- Pray a decade of the rosary
- Read the daily gospel together
- Attend or watch a daily mass
- Commit to 15 minutes of prayer time in the house

Fasting

It's so easy to fill ourselves up with the comforts of the world! How can your family fast together to deepen your hunger for God?

- Do not eat meat on an additional weekday
- Take the worst parking spot
- Don't buy anything extra or unnecessary
- Don't watch TV (or hulu, netflix etc)
- Commitment to a sit down family meal
- Turn off the music in the car
- Technology at the dinner table

Almsgiving

We are called to serve our neighbor, community and church! How can your family give together to deepen your love of other?

- Write or text a daily affirmation to someone as a family
- Make a thankful post it wall in the home
- Make a meal or dessert each week for someone
- Do a rice bowl together
- Pray a rosary for other's intentions

This list is not exhausted or limiting to your family!

Have a family meeting to decide what would be best for you.

If you want to commit to different fasts, consider making a Lent prayer board in the house for everyone to post up their fast and talk about it throughout Lent!

Let's grow in faith and love of God as a family and community this Lent!

By the solemn forty days of Lent the Church unites herself each year to the mystery of Jesus in the desert.

RESPECT LIFE CORNER

During the month of January, we remembered the tragic decision of *Roe v. Wade*, which legalized abortion based on a woman's constitutional right to privacy. To better understand the teachings of the Catholic Church in regard to abortion, the Respect Life Corner will feature excerpts from *Dignitas Personae*. 4. In recent decades, medical science has made significant strides in understanding human life in its initial stages. Human biological structures and the process of human generation are better known. These developments are certainly positive and worthy of support when they serve to overcome or correct pathologies and succeed in re-establishing the normal functioning of human procreation. On the other hand, they are negative and cannot be utilized when they involve the destruction of human beings or when they employ means which contradict the dignity of the person or when they are used for purposes contrary to the integral good of man. The body of a human being, from the very first stages of its existence, can never be reduced merely to a group of cells. The embryonic human body develops progressively according to a well-defined program with its proper finality, as is apparent in the birth of every baby.

It is appropriate to recall the fundamental ethical criterion expressed in the Instruction *Donum vitae* in order to evaluate all moral questions which relate to procedures involving the human embryo: "Thus the fruit of human generation, from the first moment of its existence, that is to say, from the moment the zygote has formed, demands the unconditional respect that is morally due to the human being in his bodily and spiritual totality. The human being is to be respected and treated as a person from the moment of conception; and therefore from that same moment his rights as a person must be recognized, among which in the first place is the inviolable right of every innocent human being to life".[6]"

VOLUNTEER TO SANITIZE THE CHURCH

We are assembling a team to use the parish's new backpack sprayers to sanitize pews after Sunday Masses.

We're asking for a one-Mass-per month commitment to sanitize the church using the backpack (takes about 10-15 minutes). If you're able to help, please visit the website to enroll in Ministry Scheduler Pro (MSP) and indicate your availability ahead of time. Thank you for helping us keep our parish open for Sunday Mass!

St. Michael Fence & Gate Project

Thank you to all those who have supported St. Michael Parish and School in our Gate Project! The project will benefit our parish and school community with fencing that contains a windshield, to limit our campus from outside viewing in a time of increased day traffic as more people are staying at home.

We are still seeking financial assistance to replace the current back fence on our playground area to fill in a large car-sized hole and to add a visual barrier for increased safety. The fence will join an additional fence to line the playground perimeter for added boundaries during recess.

We are asking for donations to achieve our goal without utilizing our parish or school budget during this year. We are grateful to The Catholic Foundation for responding to our grant request for this project with a gift of \$5,000.

Donations can be made through PayPal on our website at www.stmichaelworthington.org/gateproject/ or make a check payable to St. Michael School noting the fence project in the memo line. Thank you!
