AROUND THE PARISH

75TH ANNIVERSARY "DID YOU KNOW" ABOUT OUR CHURCH

HISTORY OF OUR ADORATION CHAPEL

During the week of March 1st, 2003, Fr. Joseph De Luca, Missionary of the Blessed Sacrament, visited St. Michael's to give an hour's reflection each evening about the Blessed Sacrament in preparation for the start of Perpetual Eucharistic Adoration at our parish. Each evening was well attended. This was the beginning of what is now our current Eucharistic Adoration Hour. Sr. Agnes Goode helped coordinate sign-ups in the weeks to follow and met with division leaders, hourly coordinators and assistant coordinators on April 15, 2003 in preparation for the opening date.

On Thursday, May 1, 2003 at 7:00 p.m. we had a solemn Benediction in the Church. At the conclusion of Benediction there was a solemn procession to our new Adoration Chapel (which at the time was located in what is now the Convent Chapel). A reception followed in Marian Hall. The first hour began at 8:00 p.m. with Adorers Bobbie Schilling, Clarence and Catherine Graf and Jennifer and Robert Nuchs.

When the Dominican Sisters of Mary, Mother of the Eucharist moved into the convent, our adoration chapel was temporarily located in the back hallway next to the Altar Server room (behind our St. Joseph altar) before being located in our current Adoration Chapel. It is hard to believe we have been blessed with Perpetual Eucharistic Adoration at our parish for over 12 years.

What is Eucharistic Adoration? Eucharistic Adoration is an expression of our love for Jesus, who loves us so much that He never wants to leave us and so stays with us day and night in the Blessed Sacrament. For He says: "Behold I am with you always," because "I have loved you with an everlasting love. And constant is my affection for you." (Mt 28:20; Jer 31:3)

What is Perpetual Eucharistic Adoration? Perpetual Eucharist Adoration is simply our response to Jesus' love for us, whereby each of us is willing to spend a quiet Holy Hour of prayer in His Eucharistic Presence once a week on a regular basis, that we may have perpetual (seven days a week, twenty-four hours a day) Exposition of the Blessed Sacrament. Jesus is never left alone.

RESPECT LIFE CORNER

To better understand the teachings of the Catholic Church in regard to abortion, the Respect Life Corner will feature excerpts from *Dignitas Personae*.

During the month of January we remember the tragic decision of *Roe v. Wade*, which legalized abortion based on a woman's constitutional right to privacy. To better understand the teachings of the Catholic Church in regard to abortion, the Respect Life Corner will feature excerpts from *Dignitas Personae*.

"22. Preimplantation diagnosis is a form of prenatal diagnosis connected with techniques of artificial fertilization in which embryos formed in vitro undergo genetic diagnosis before being transferred into a woman's womb. Such diagnosis is done in order to ensure that only embryos free from defects or having the desired sex or other particular qualities are transferred.

Unlike other forms of prenatal diagnosis, in which the diagnostic phase is clearly separated from any possible later elimination and which provide therefore a period in which a couple would be free to accept a child with medical problems, in this case, the diagnosis before implantation is immediately followed by the elimination of an embryo suspected of having genetic or chromosomal defects, or not having the sex desired, or having other qualities that are not wanted. Preimplantation diagnosis – connected as it is with artificial fertilization, which is itself always intrinsically illicit – is directed toward the qualitative selection and consequent destruction of embryos, which constitutes an act of abortion. Preimplantation diagnosis is therefore the expression of a eugenic mentality that "accepts selective abortion in order to prevent the birth of children affected by various types of anomalies. Such an attitude is shameful and utterly reprehensible, since it presumes to measure the value of a human life only within the parameters of 'normality' and physical well-being, thus opening the way to legitimizing infanticide and euthanasia as well".[42]

By treating the human embryo as mere "laboratory material", the concept itself of human dignity is also subjected to alteration and discrimination. Dignity belongs equally to every single human being, irrespective of his parents' desires, his social condition, educational formation or level of physical development. If at other times in history, while the concept and requirements of human dignity were accepted in general, discrimination was practiced on the basis of race, religion or social condition, today there is a no less serious and unjust form of discrimination which leads to the non-recognition of the ethical and legal status of human beings suffering from serious diseases or disabilities. It is forgotten that sick and disabled people are not some separate category of humanity; in fact, sickness and disability are part of the human condition and affect every individual, even when there is no direct experience of it. Such discrimination is immoral and must therefore be considered legally unacceptable, just as there is a duty to eliminate cultural, economic and social barriers which undermine the full recognition and protection of disabled or ill people."

REAL PRESENCE, REAL FUTURE REFLECTIONS: HE IS RISEN!

Dcn. Tom Berg, Jr., St. Andrew Parish

"Then the other disciple also went in, the one who had arrived at the tomb first, and he saw and believed." With these joyous words from the Gospel on this Easter Sunday, we celebrate our Lord's resurrection, his victory over death and sin, rejoicing in His Real Presence in our lives. This is the pinnacle of our Catholic life of faith, what drives and inspires us every day to walk ever closer with our loving Lord as we journey toward the Real Future of God's promise of salvation for those who put their trust and faith in Him.

MEN'S FAITH AND FELLOWSHIP

Join us on Saturday mornings from 6:45-8:15 a.m. or on Tuesday evenings from 7:50-9:10 p.m. (the same programming, twice weekly) for weekly presentations and discussions of *THAT MAN IS YOU*. *That Man Is You* is a Catholic-Christian, interactive program developed to build male leadership in the modern world and to help men grow in their faith and become better men in their homes, workplaces, and communities.

This season of programs, "ALL THINGS NEW," will be presented by some of today's best theologians: Dr. Scott Hahn, Dr. Mark Miravalle, Dr. John Bergsma, Michael Gormley, Mark Hartfiel, and Steve Bollman.

All men of the parish are invited to join us!! All meetings will take place via Zoom teleconferencing, a free downloadable, easy-to-use application on any smartphone, tablet, or computer, from anywhere. This is a great opportunity to get to know other men in the parish and to more fully develop your Catholic faith! For more information, contact Bill Shirk at billshirk@columbus.rr.com or Mitch Garner at garner.mitch@gmail.com. Come and see!

WOMEN'S FAITH AND FELLOWSHIP

St. Michael Women's faith and fellowship is meeting for a Zoom Rosary on the 2nd and 4th Thursdays of the month at 8:00 p.m. It is a wonderful opportunity for the women of the parish to come together in prayer. We would love to offer up you and your Intentions in our Rosary; please email us with your Intentions. Email Jessica Schmitt for more information on joining the Zoom Rosary or with your intentions: jessica.anne.schmitt@gmail.com.

VOLUNTEER TO SANITIZE THE CHURCH

We are assembling a team to use the parish's new backpack sprayers to sanitize pews after Sunday Masses.

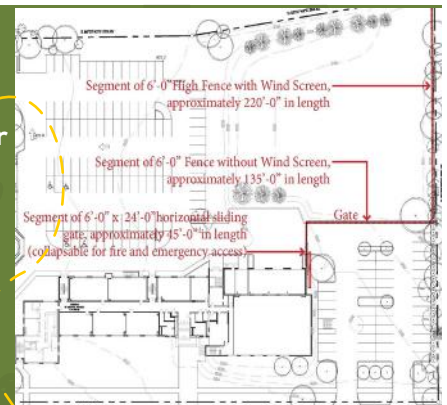

We're asking for a one Mass per month commitment to sanitize the church using the backpack (takes about 10-15 minutes). If you're able to help, please visit the website to enroll in Ministry Scheduler Pro (MSP) and indicate your availability ahead of time. Thank you for helping us keep our parish open for Sunday Mass!

St. Michael Fence & Gate Project

Thank you to all those who have supported St. Michael Parish and School in our Gate Project! The project will benefit our parish and school community with fencing that contains a windshield, to limit our campus from outside viewing in a time of increased day traffic as more people are staying at home.

We are still seeking financial assistance to replace the current back fence on our playground area to fill in a large car-sized hole and to add a visual barrier for increased safety. The fence will join an additional fence to line the playground perimeter for added boundaries during recess. We are asking for donations to achieve our goal without utilizing our parish or school budget during this year. We are grateful to The Catholic Foundation for responding to our grant request for this project with a gift of \$5,000.

Donations can be made through PayPal on our website at www.stmichaelworthington.org/gateproject/ or make a check payable to St. Michael School noting the fence project in the memo line. Thank you!
