- Father Herge will begin his new assignment on the second Tuesday of July. There has been no word yet from the Bishop if there will be new Pastoral-Parochial Vicar at St. Michael.
- Father is working with the Diocese to create new job descriptions for the open positions left by Katie, Maggie and David. They will be completed by next week. Father ~~is hopeful~~ hopes the VBS will fall under the responsibility of the new job description, but cannot promise.-
- The Real Presence, Real Future Leadership Team has taken 2 of the 3 workshops. They are getting demographic data for the Parish Report. More information coming soon. Stay tuned.
- As COVID restrictions are beginning to be lifted, requirements for school have not changed per the superintendent and the Governor. The Bishop has asked for parishioners to keep wearing masks to Mass until further notice. We will continue not to have holy water, sign of peace, offering processional and the Precious Blood.
- There will be continued limited access to meeting rooms in the parish until school is over on June 2. The undercroft is scheduled to be turned back to normal by June 14.
- Parish groups may begin requesting meeting space for the rest of this fiscal year and next fiscal year as well. Requests may be sent to the parish email address.
- We are planning on having full festival this Labor Day weekend.
- Father is working on scheduling new altar serving training for this summer and fall. Stay tuned to Flocknote for any updates.
