## AUGUST 29, 2021, TWENTY-SECOND SUNDAY IN ORDINARY TIME

*"Be doers of the word and not hearers only..."*

JAMES 1:22

It's easy to understand the definition of stewardship – living a grateful and generous life. The hard part is doing it! How do your actions reflect God's word? Do you share your time in prayer with God? Do you use your talent to help those in need? Are you generous with your financial resources? If not, what are you waiting for?

## DEAR PARISHIONERS,

St. Michael School is now in session. Please remember to pray for the students, faculty and staff as they begin this new school year. While last year was difficult, this year is a vast improvement. We are very hopeful that our students will flourish in their Personal, Spiritual and Academic development. St. Michael the Archangel, Pray for Us! Go Warriors!

The US Bishops Conference has requested that all parishes take up a Special Collection for Haiti Earthquake relief efforts. The collection at St. Michael Parish will take place at Masses the weekend of September 11-12 in which there will be a second collection taken up after Communion for this purpose. Please make your checks payable to St. Michael Parish with Haitian Relief on the memo line and place it in the second collection. In order to keep it separate from the regular Sunday collection, all donations should be placed in the second collection, or in a separate envelope clearly marked for this collection. Thank you for your generosity.

Also, the Parish Pastoral Council will host a welcoming for Fr. Emmanuel after the Saturday 4:00 p.m. Mass, and the Sunday morning 8:30 a.m. and 10:30 a.m. Masses the weekend of September 11th & 12th. We will have some refreshments and an official opportunity to welcome him to our parish.

We are making plans for the Parish Rite of Christian Initiation of Adults (RCIA) program for this next year. If you know of someone who is interested in joining the Catholic Church, or in learning more about the process to become Catholic, then please have them contact us via email at [RCIA@saintmichael-cd.org](mailto:RCIA@saintmichael-cd.org). Classes will begin in mid to late September. More information will be coming soon.

There have been several inquiries regarding our plan this year for the Family Faith Formation Program (formerly called PSR). As I have yet to hire a Coordinator for this program, it is difficult to say exactly what those plans are. I am exploring a few alternatives and will notify families soon as to what will happen. As it is now, we may not start until October. I will apprise you of any developments.

As part of the ongoing strategic process for Real Presence, Real Future, the Diocese of Columbus will be hosting Consultation Sessions for each parish throughout the Fall. The Consultation Sessions for St. Michael will take place on Tuesday, September 21st and Thursday, September 23rd via Zoom videoconferencing from 6:30-8:30 p.m. Only one session will need to be viewed. Registration will be required, and a link will be provided later this week. So, stay tuned for more.

In Christ,  
Fr. Anthony A. Dinovo, Jr  
Pastor

Real Presence Real Future

### 22ND SUNDAY IN ORDINARY TIME, AUGUST 29, 2021

**Real Presence, Real Future reflection: Active Listening: Mary Thompson, St. Matthew Gahanna Parishioner & RPRF Commission Member**

In today's readings, Moses exhorts the Israelites to "hear the statutes and decrees of the Lord," and St. James challenges us to be doers of the Word as well as hearers. To hear well means to listen well. How well do we listen to God? How well do we listen to our family, friends, and others? Do we listen before forming a response? Active listening can help us be more attentive to God's will in our lives and be empowered to follow the Lord's command to love him with our hearts, minds, souls, and strength, and to love our neighbor as ourselves.

For more about how we are growing together in the life of faith and discipleship in the Diocese of Columbus, visit [www.RealPresenceRealFuture.org](http://www.RealPresenceRealFuture.org).

### Fall Parish Consultation Sessions Coming!

As part of the ongoing strategic process for *Real Presence, Real Future*, the Diocese of Columbus will be hosting Consultation Sessions for each parish throughout the Fall. Two Sessions will be held via Zoom videoconferencing for each parish in the Diocese. Facilitators will guide parishioners through important statistical and sacramental information relevant to the Diocese as a whole, to parishes in surrounding areas, as well as individual parish information. Parishioner participation in these sessions is critical to helping shape the future of the Diocese of Columbus.

The Parish Consultation Sessions are a vital part of the planning process that encourages parishioners to offer insights and perspective on the future planning of their parish. The feedback provided during these sessions will be used to draft new models for review by parishioners in early 2022. The consultation process will continue throughout 2022 until final models are approved. No decisions have been made regarding any parish, and none will be made until feedback is gathered directly from parishioners through the consultation process.

Every parishioner in the Diocese is encouraged to attend! Please plan to participate and invite others to do the same. Registration is required by logging onto [www.realpresencerealfuture.org](http://www.realpresencerealfuture.org). *Even if you are not able to participate, register anyway. All registrants will receive a link to the recording via email after the session.*

## AROUND THE PARISH

### HISTORY OF OUR PARISH FESTIVALS:

On June 28, 1947, the year our parish was established, St. Michaels held its first Summer Festival. Our founding pastor was Fr. John P Byrne. The festival continued annually until 1964 when all fund-raising activities were terminated in favor of tithing. St. Michael didn't hold a festival for 13 years, but then things changed. To meet the needs of a growing parish and church expenses, the festival was revived on October 8, 1977 when a group of men from the parish met earlier that year to pitch fundraising plans to parish council and Fr. Byrne. One idea was to have a Festival, which won the majority vote. And so began the next wave of festivals at St. Michaels. The big one-day event had a dual purpose: (1) each parish organization would have the opportunity to enhance its specific treasury, and (2) the extra money netted from the festival would help refurbish the church rectory. The Festival Chairman that year was Gene Krajnak backed by a hard-working festival committee and many dedicated parishioner volunteers.

One of the notable games we have seen from our film archives from those early years was the penny pitch game. It must have been a popular game at the time because we saved the game for so many years. Another was a chance to win a Cannon blanket at only 10 cents and a bottle of pop was 10 cents. A bargain back then.

The following article from our parish newspaper called "The Mike" gives a perspective from their November 1977 issue. The festival we have today is a continuation of that tradition. The Mike was published from 1977 to 1980 then, was revived in August 1999 and was published quarterly until around 2003.

### "FESTIVAL MOOD BRIGHT IN SPITE OF WEATHER

There was dampness on the ground and in the air as many people put finishing touches on Festival stands and displays during the morning of October 8th, but every face showed the bright mood throughout the day.

It was indeed a festival and people turned out to join in the fun. Throughout the afternoon children-and-adults lined up to go through the spook house, to throw sponges, balls, coins and rings, and to eat their fill of bratwurst or wieners. Many people gathered to listen and watch as a variety of entertainers filled the air with sound throughout the afternoon and evening.

A great number of people were delighted with the display of arts and crafts in the Quonset's gym, and some expressed hope for a bigger art display sometime in the Spring of next year. By eight o'clock the casino was going strong and continued to be active till the last stragglers were given the word about 1:15 in the morning.

T-shirt enthusiasts were almost as persistent as the gamblers. Attendants at the T-shirt booth continued long after midnight to press decals on the shirts to satisfy eager customers.

General Festival Chairman Gene Krajnak estimated that almost 500 people participated in the work of the Festival. He expressed gratitude for the cooperation and enthusiasm people showed. The weather certainly affected attendance, but in spite of dampness the Festival chairman estimated a net profit of \$6,000. After all expenses are tallied, they'll publish a complete report."
