

October 20, 2021

Dear Parishioners,

Here is an important update for you:

**Parish Website (email) outage**

Last weekend our parish website went down for a few days, and this also affected our parish email accounts. We are sorry for this inconvenience. The problem has been resolved; however, some emails may not have made it through to us. If you attempted to contact any one with the saintmichael-cd.org email domain during that period and have not received a reply, then please resend your email. Thank you for your patience.

**First Confession, First Communion, and Confirmation Preparation**

This message is for those families of St. Michael Parish who do not have their children enrolled in St. Michael School. As most of you know, I have been looking for the right person who I feel will be able to lead our Family Faith Formation program at Saint Michael Parish. This would include, of course those who are in the second and eighth grades who are in need of sacramental preparation for First Confession, First Communion, and Confirmation. While I have had some applicants, this position is not yet filled. While the search is continuing, it does not look like I will have anyone in place in the near future.

So, to accommodate those who would like to begin, I have been making arrangements with local parishes to try to include our non-Catholic school students in their sacramental preparation programs. To find a current listing of parish options, go to <https://www.saintmichael-cd.org/evangelization/fff-2-2/> on our parish website. This page will be updated.

In Christ,

Fr. Anthony A. Dinovo, Jr.

Pastor
