OCTOBER 10, 2021, TWENTY-EIGHTH SUNDAY IN ORDINARY TIME

"It is easier for a camel to pass through the eye of a needle than for one who is rich to enter the kingdom of God." (Mark 10:25)

Jesus uses tough language that we may not want to hear. But we are all called to be generous with all of our gifts. Not just the ones we pick and choose, but all our gifts, and especially the one that means the most to us! That includes our time in prayer to God, our talent in participating in parish ministries and our treasure supporting our local parish and other charities.

Real Presence Real Future

28TH SUNDAY IN ORDINARY TIME, OCTOBER 10TH, 2021

Real Presence, Real Future reflections: He Loves Us!

Stephanie Rapp, St. Paul Parish & RPRF Commission Member:

The young man in today's Gospel appears to approach Jesus with good intentions, yet also brings his brokenness, wounds, and pride. Jesus knew him and his heart, and He looked at him *with love* while calling him deeper. Jesus does the same for us today, perfectly loving us wherever we are, yet inviting us into a deeper relationship with Him and asking us to cast aside anything that's in our way. This is impossible for us, but not for Him. Everything is possible with our Lord, whose Real Presence is always with us, looking at us lovingly and leading us into the Real Future to which He invites us.

PARISH HISTORY

PARISH HISTORY ST. MICHAEL STORY CONTINUED...PART 9

On February 13, 1983, at 7:30 p.m., St. Michael Church hosted and co-sponsored, along with the Worthington Area Peace Coalition, the viewing of a new film by Mary Knoll about the Arms Race called "GODS OF METAL." Featured in the film was Archbishop Raymond Hunthausen and Tom Siemer, a former Rockwell International employee. The 27-minute documentary is about the nuclear arms race and people of faith who are trying to stop it. As noted in the flyer we had in our February 6, 1963 bulletin: The documentary tells how the arms race is analyzed from a Christian perspective, showing the economic and social effects on people in the United States and the Third World, especially the poor. The film shows what individuals and groups were doing at the time to halt the arms build-up and gives practical suggestions on what each of us can do to help create a world of peace and understanding. After the showing of the film, Mr. Siemer, at the time "Director of The Holy Family Peace Center," discussed with those attending "what can we do about Nuclear War." Tom Siemer converted from war to peace work after leaving Rockwell. Tom was a "Charter Member" of the Missile Administration at Rockwell and worked there for 23 years before leaving in 1976 to work full time for peace.
